

Quest Virtual School

Ninja Quest is proud to announce that we will be hosting the Quest Virtual School to help our families in all counties with monitoring their children (Grades 1st – 8th) with their virtual learning. We hope to provide the opportunity for parents to go back to work with confidence knowing their child is staying current with their schoolwork, safe and staying physical active. This program will be from 7:30am – 5:00pm Monday through Friday. There will still be classes for the traditional homeschoolers from 1pm-3pm for phys ed points.

Our very own manager, Michele is a college educated Certified Substitute Teacher with extensive background in education, liberal arts and literature. Part of her teaching background, she taught full time as a 3rd and 4th grade teacher at a private school in New Jersey and several grades (1st – 8th) as a substitute teacher in Cherokee County. Michele will be onsite daily (7:30am – 5pm) working with your children to assist them in finishing their classes. As number of students increase, we will add another Certified School Teacher.

Parents/Guardians need to be the main contact for students' grades, any issues or questions that may arise with the school and/or teacher. Our staff will not be teaching but monitoring and assisting students during virtual learning. We will host students from 1st through 8th grade.

Please bring your own snacks, beverage, and lunch. We do have snack concessions (no hot foods) available for purchase. On Fridays we will provide Pizza & Water/Powerade at no additional charge. It is imperative to be on time, schools are counting delayed access to students signing online program as tardiness.

Our Tentative Schedule: following Cobb County School Schedules (but will accommodate other counties as well). Wednesdays Schedule will be slightly different and specific to those kids with online meetings with their teachers and those having independent studies.

7:30am	Drop off
8:00 - 9:05am	Classes
